The Plymouth Society of Artists Group Show

We are once again delighted to be hosting an exhibition for this prestigious group.

Formed in 1944 The Plymouth Society of Artists have always kept their intent towards progressive style and methods.

The group work in a wide variety of techniques both painterly and sculptural. Showing this year are several new members so this should prove to be an exciting exhibition.

Another show, "**Artists of the Devonshire Association**", presents "Twenty five leading Devon artists, all members of the [Devonshire Association](#) who are contributing work in a range of media to the Association's first art exhibition in its hundred and fifty two year history."
